Jan 1992 to Dec 1992	Intern	K.N. Hospital, Pune PHC LONI ,

SCIENTIFIC PUBLICATIONS & PAPER PRESENTATIONS:

Articles Published in Scientific Journals:

1. Use of antibiotic cement-impregnated intramedullary nail in treatment of infected non-union of long bones. Published in Indian J Orthop. 2009 Oct;43(4):396-402
2. A Comparative Study Of The Functional Outcome Of k-wire Fixation With Cast Versus Ligamentotaxis In Management Of Distal End Comminuted Fracture Radius. *J.Orthopaedics 2010;7(3)e3*
3. Role of fibular plating and above knee cast as a modality of treatment for fracture of distal tibia metaphyseal fractures - A Prospective Study. – accepted for Publication in Journal of Orthopaedic Trauma.

List of Chapters In Text Books:

1. Pearls and Pitfalls of Tibial Plateau Fractures –

Chapter 4, issue 1 in Orthopedic Pearls. Dr Sunil Sabnis, Dr Parag Sancheti. Mediknow Infosol, India 2010, pages 14-17.

Papers under active Review by Scientific Journals:

1. Role of Locking Compression Plate in Management of Non Union of Diaphyseal Fractures- a Prospective Cohort Study - Submitted to Injury.
2. Reconstruction nailing in bifocal femoral fractures- Is lateral position a more effective method? – Submitted to Journal of Orthopaedic Trauma.
3. Floating knee injuries–analysis of treatment modalities and predictors of outcome. – Submitted to Injury.

Current Ongoing Research:

1. A Prospective Cohort Study of Femoral Non-union for Analysis of Etiological Factors and Success of Different Treatment Modalities in terms of Radiological, Clinical and Functional outcome
2. Functional outcome of proximal humerus fractures treated with conventional plate and LCP.
3. Surgical management of metaphyseal fractures around the knee Joint-outcome at a tertiary trauma centre
4. Industrial orthopedic Injury – a case report and review of literature
5. Clinico Radiological Assessment of Prevalence of Residual Distal Radioulnar Joint Disruption after Various Treatment Modalities.
6. Medial plating and lateral screw fixation for bicolunar proximal tibia fractures – a prospective case series.
7. Number of papers presented on topics related to trauma at various International, national and regional conferences.
8. Various lectures and workshops taken in national and regional conferences.

TEACHING ACTIVITIES:

- **Professor in Orthopaedics (approved by MUHS) S.I.O.R., Pune, a Post-Graduate Teaching Institute and Hospital affiliated to MUHS.**
- **Faculty on A.O. FRACTURE FIXATION COURSES. (Basic & Advance)**
- **Faculty on various trauma courses & workshops all over the country.**
- **Associate Professor in Orthopaedics, BJMC, Pune.**
- **Associate Professor in Orthopaedics, College of Physiotherapy, S.I.O.R., Pune.**
- **Lecturer in Orthopaedics at R.G. Medical College and C.S.M. Hospital, Kalwa, Mumbai.**
- **Visiting Lecturer for Post Graduate Course in Emergency Medical Service at Symbiosis Institute for Health Sciences, Pune.**
- **Visiting faculty I.T.L.S. courses conducted by AMERICAN COLLEGE OF SURGEONS.**
- **Visiting faculty at Rangoonwala Medical and Physiotherapy College**

AWARDS AND SCHOLARSHIPS:

- **Distinction in OTORHINOLARYINGOLOGY in IIIrd M.B.B.S. Oct.1991**
- **National Merit Scholarship March, 1987**
- **National Merit Scholarship March, 1985**
