

We have implemented the new pricing for total knee replacement(TKR) implants w.e.f 17th August 2017

SR NO	ORTHOPEDIC TKR SYSTEM	COMPONENT	FEATURE & MATERIAL OF IMPLANT	SALE RATE	EXCLUDES	GST
1	ZIMMER Primary TKR	Femoral component Tibial component orTibial tray Articulating surface or Insert Patella	Cobalt chromium (CoCr)alloy Titanium alloy Any Material	24090 24280 9550 4090		24090 24280 9550 4090
2	ZIMMER OXFORD Primary PKR	Femoral component Tibial component orTibial tray Articulating surface or Insert	Cobalt chromium (CoCr)alloy Cobalt chromium (CoCr)alloy Any material	24090 16990 9550		24090 16990 9550
3	S/N GEN II Primary TKR	Femoral component by Tibial component orTibial tray Articulating surface or Insert Patella	Cobalt chromium (CoCr)alloy Titanium alloy Any Material Any Material	24090 24280 9550 4090		24090 24280 9550 4090
4	S/N OXANIUM Primary TKR	Femoral component by Tibial component orTibial tray Articulating surface or Insert Patella	Oxidized zirconium (OxZr)alloy Titanium alloy Any Material Any Material	38740 24280 9550 4090		38740 24280 9550 4090
5	S/N ANTHEM Primary TKR	Femoral component by Tibial component orTibial tray Articulating surface or Insert Patella Femoral component by	Titanium alloy Titanium alloy Any Material Any Material Cobalt chromium (CoCr)alloy	38740 24280 9550 4090 24090		38740 24280 9550 4090 24090
6	INDUS Primary TKR	Tibial Tray and Insert combined as single unit Patella	Tibial: Metallic & combined tibial Insert :polyethylene /highly cross-linked Any Material	26,546 4090		26,546 4090

7	DEPUY ALL POLY Primary TKR	Femoral component Tibial Tray and Insert combined as single unit Patella	Cobalt chromium (CoCr)alloy	24090
			highly crosslinked polyethylene	12960
			Any Material	4090
		Femoral Component	Any Material	62770
8	REVISION TKR ZIMMER LCCK	Tibial component orTibial tray Articulating surface or Insert Patella	Any Material	31220
			Any Material	15870
			Any Material	4090
		Femoral Component	Any Material	62770
9	REVISION TKR LINK ENDOMODEL	Tibial component orTibial tray Articulating surface or Insert Patella	Any Material	31220
			Any Material	15870
			Any Material	4090
